Digital Media Presentation (Formerly Multimedia Presentations)

A Digital Media Presentation is:
- ✓ Using digital media such as slides, movies, or other digital platforms to create visual impact for your presentation on one topic. **NO WIFI WILL BE AVAILABLE!**
- ✓ Showcasing the most important part of the presentation.

Presentation Type	Number of Presenters	Visual Aids	Time	Questions	Note Cards	Regional Selection
Digital Media Presentation Age 7-9	1-2	Digital	5-10 minutes	Yes	Yes	Up to 2, must receive Top Purple/Top Blue
Digital Media Presentation Ages 10-13	1-2	Digital	5-10 minutes	Yes	Yes	Up to 2, must receive Top Purple/Top Blue
Digital Media Presentation Ages 14-18	1-2	Digital	5-10 minutes	Yes	Yes	Up to 2, must receive Top Purple/Top Blue

Equipment Provided:
- One Table
- Projector and Screen
- Extension Cord & Power Strip

Participants need to bring:
- A computer or device
- Any adapters that you need to connect to the Projector using HDMI
- Anything else you may need to connect and present your digital media presentation

Rules:
1. The age of the oldest member determines the competition age group. Example: A 9 & 11-year-old presenting together would be in the 10-13 age group.
2. Endorsement of brand names is discouraged.
3. Handouts or samples for judges are acceptable.
4. The entire presentation must be the original work of the 4-H member and abide by all copyright laws. All images and music must be cited correctly.
5. You must present your presentation in person.
6. The judge will serve as the timekeeper.
7. Topics, visuals, props, language, and attire should be family-friendly and not violate the Kansas 4-H Code of Conduct.
8. Judge will deduct one ribbon placing if time is exceeded by more than 30 seconds.
